Sexual Misconduct Policy		
Name of Policy	Effective Date	Revision Date

1. Career City College is committed to the prevention of and appropriate response to sexual misconduct.
2. Sexual misconduct refers to a spectrum of non-consensual sexual contact and behaviour including the following:
3.
 - sexual assault;
 - sexual exploitation;
 - sexual harassment;
 - stalking;
 - indecent exposure;
 - voyeurism;
 - the distribution of a sexually explicit photograph or video of a person to one or more persons other than the person in the photograph or video without the consent of the person in the photograph or video and with the intent to distress the person in the photograph or video;
 - the attempt to commit an act of sexual misconduct; and
 - the threat to commit an act of sexual misconduct.
4. A **Complaint** of sexual misconduct is different than a **Report** of sexual misconduct. A Complaint is when the victim/survivor discloses or chooses to tell someone at the institution of an incident of sexual misconduct in order to seek support, but may not want to make a formal report to police or the institution. A **Report** is a formal notification of an incident of sexual misconduct to someone at the institution accompanied by a request for action. A Report does not have to be made by the victim/survivor.
5. A student making a **Complaint** will be provided with resolution options and, if appropriate, accommodation, and will not be required or pressured to make a **Report**.
6. The process for making a **Complaint** about sexual misconduct involving a student is as follows:

Sexual Misconduct Policy

Complaints must be submitted to the Campus Director for review:

A complaint must include date of incident, person involved and any witness if applicable. If there is more than one incident, then each incident should be documented.

The Complaint can be submitted informally either verbally, written, or via email

If the Complaint is against the Campus Director, the Complaint must be submitted to the Senior Educational Administrator.
